Hi Melissa,

A meeting next week is probably a good idea. Seems there may be some miscommunications, and I wasn't available to consult with Sisay this week.

Ex. 5 - Attorney Client

I am off tomorrow and have very limited time today. Can we meet next week to discuss? **Ex. 5 - Attorney Client**

Ex. 5 - Attorney Client If there is any other delegation that might apply, that would be helpful to know.

Thank you.

Hi Melissa,

It's Michael that pointed out the appeals process but it's also in the TAG guidance that refers to specific CFR sections that wasn't caught before. Sisay, if you haven't already can you share the CFR sections. Thanks, Libby

Hi there,

We are also questioning whether the Grants Office should be the Program to sign the letter based on a delegation authority the Michael sent us.

Sisay please share the delegation information per our earlier conversation.

Thanks, Libby

Hi Lindsay,

I have attached the final draft letter for South Weber TAG Coalition response to their request for an extension. I have a couple questions before I can send it out to Marin Hestmark for approval.

- Who needs to review and approve the letter in the grants office?
- What is the general appeals process for grants? I have mentioned the applicable CFR in the letter that deals with TAGs, but is there additional information I should provide regarding the appeal process?

Thanks,
